ONLINE FORMATION OPPORTUNITY

In November, the SMV Advisory team will be facilitating some online formation. We will discuss navigating challenges with receiving Communities, from the perspective of the coordinators and also volunteers. After meeting online earlier in the year, the major feedback was that people wanted more targeted meeting themes. Please join us so we can learn and share from and with each other.

Monday 25th 18:00, Rome time, Spanish meeting

Thursday 28th 10:00, Rome time, English meeting

Please fill out our [Google Form](#) to let us know which meeting you will be attending.

FINAL CALL FOR INFORMATION - SMV BOOKLET

We have the final design and are working on the final draft of the SMV book that will be released in conjunction with the 150 year celebration of the first missionary expedition. We are still missing some key information provinces. If you want to be included, please fill out the information [here](#).

Website Update NEW URL: salesianvol.org

Adam, our website guru, has been working hard and our SMV website now has a new home! The new URL should be much easier to remember.

In the transition to a new URL, we need everyone to reset their password. If you were already a registered user then you should have received an email for a password reset.

Of course all new users can go onto the new website and register. Just a friendly reminder that you need to be a registered user to access the full capacity of the website, including accessing resources and uploading information.

Our website continues to develop and as always we encourage your feedback.
